

THE DOTTED LINE

This spotted pattern is a modern take on traditional plaid, and Gucci's quirky embroidery brings some design cred to the classic rep tie.

SQUARE DEAL

A windowpane check is one of the easiest patterns to pull off and looks especially handsome in a grey and brown combo.

Suit (\$2,398) by **Canali** at Harry Rosen; shirt (\$165), belt (\$110) and tie (\$205) by **BOSS**, pocket square (\$80) by **Eton** at Harry Rosen; watch (\$395) by **Bulova**.

GREY POWER

Grey gives you carte blanche to make all kinds of pairings. Here, a charcoal suit is combined with a colour-blocked crew neck.

Jacket (\$1,984) and pants (\$730) by **Lanvin** at Nordstrom; sweater (\$1,200) by **Marni** at Simons; pocket square (\$145) by **BOSS**; watch (\$24,600) by **Vacheron Constantin**.

BROWN ABOUT TOWN

Brown is back. Pair some chocolatey pinstripes with a navy turtleneck and rock it like a boss.

Jacket (\$699), pants (\$349) and turtleneck (\$199) by **Tiger of Sweden**; pocket square by **Eton** (\$80) at Harry Rosen.

PLUM ASSIGNMENT

Plum. Wine. Whatever you want to call it, this rich, deep hue is the colour to reach for when you want to break out of the box. Layer it with a rusty knit for total fall style domination.

Suit (\$1,995) by **Emporio Armani** at Simons; knit polo (\$325) by **BOSS**; belt (\$185) by **Anderson's**; shoes (\$589) by **Tod's** at Nordstrom; watch (\$31,500) by **Bulgari**.

BIG BLUE Even at a distance, a subtle tonal check adds dimension to a sleek blue suit. A striped tie with a pop of peacock blue and a deep red pocket square bring just enough colour to the mix.

Suit (\$1,995) and shirt (\$415) by **Burberry**; tie (\$350) by **Brioni** at Holt Renfrew; tie clip (\$280) by **Tateossian** at Harry Rosen; pocket square (\$39) by **Simons**; watch (\$13,100) by **Rolex**.

NEUTRAL TERRITORY

A camel suit is a sartorial standout that has nearly all the versatility of a grey suit, but with a punchier personality.

Jacket (\$895) and pants (\$340) by **BOSS**; shirt (\$728) and tie (\$263) by **Louis Vuitton**; pocket square (\$39) by **Simons**; watch (\$450) by **Bulova**.

SIGNED IN INK

A navy suit is the foundation of a suiting wardrobe, but closer inspection of this number reveals a handsome herringbone pattern.

Jacket (\$1,315), pants (\$695) and shirt (\$420) by **Dries Van Noten** at Holt Renfrew; tie (Price Upon Request) by **Dior**; shoes (\$1,105) by **Gucci**; watch (\$2,450) by **Frederique Constant**.
